VALENCIA LOCATION

GETTING TO VALENCIA

We have multiple ways to get to Valencia. One is through Manises Airport, eight miles from the city. Taxis are located outside the terminal, and the trip to downtown takes about 15 minutes. Subway Line 5 connects the airport with the city. This line connects the airport to the port of Valencia, the beaches and the train station.

From the airport you can also take two buses to Valencia, one going north to the station or town center, which operates from 6.00 am to 22.00 hours, and the central bus station, line 150 where the route takes about 45 minutes.

The railway station in Valencia is connected to most Spanish cities, while the bus station is very close to the neighborhood “Carmen”.
